Chosen Hospital: Banner Boswell Medical Center

Address: 10401 W. Thunderbird Blvd. Sun City, AZ 85351

Contact person: Lauren Miller

Contact # 623-832-4887

Questions below answered by radiology RN staff/manager

Banner Boswell just received the recognition as a Top 100 Hospital by Truven for the 2nd year in a row!!!!!!

Questions:

- 1. What is the name of your department? Medical Imaging**
- 2. What administrative area does your department /area fall under? Medical Imaging**
- 3. What is the management structure? We have a Director, and two Senior managers, one an RT and one an RN. RN senior manager is over the 11 nurses, special procedures, and OR Radiology**
- 4. What type of radiology procedures requiring nursing care are performed at your hospital? Any invasive case that requires sedation! We also respond to ANY modality of Medical Imaging for patient care when needed**
- 5. How many staff? (RN's, RT's, other) What credentials are required? We have 11 RNs and 4RTs in specials.**
- 6. How many MD's are assigned on a daily basis? We routinely have 2 IR Radiologists, and 2 non-IR Radiologists**
- 7. Who admits/preps and recovers/discharges the patient? We have an 8 bay holding area where we prep and recover the patients. We attempt to have the same RN prep the patient and go with them to their procedure as the Intraprocedure nurse.**

- 8. Who transports? For outpatients, we do all of our own transporting. For inpatients, transport assists in bringing the patients to our department and returning them to their rooms unless a nurse is needed.**
- 9. Call (what hours, pay, response time, etc): We start call at 5pm on weekdays and take call Saturday and Sunday. We do receive \$3.00 an hour for call and get a 2 hour minimum for call-ins. Once called-in, we are expected to be at the hospital within 30 minutes**
- 10. Current major issue? We are currently working with the system to re-designing our electronic charting and discharge instructions.**
- 11. How to contact the department? 623-832-5798**
