Grand Canyon State Chapter of the Association for Radiology and Imaging Nurses

An official state chapter of
Association for Radiology and
Imaging Nurses
ARIN

What is the Grand Canyon State Chapter?

The Grand Canyon State Chapter (GCSC) is a local chapter operating as an extension and under the direction of the national organization which is the Association for Radiologic & Imaging Nurses (ARIN)

What is the Association for Radiologic & Imaging Nursing (ARIN)?

- National professional organization for radiology and imaging nurses
- Promotes and provides direction for professional growth and development
- Purpose is to set the scope and standard of practice for radiology

Purpose of GCSC

ARIN's mission statement supported by GCSC:

To foster the growth of radiology nurses who advance the standard of care

GCSC nurses will provide, promote, and maintain continuity of quality patient care in imaging environments

The GCSC Honors the ARIN Core Values

- Commitment to professionalism
- Responsiveness to technological advances
- Being leaders in a constantly evolving environment
